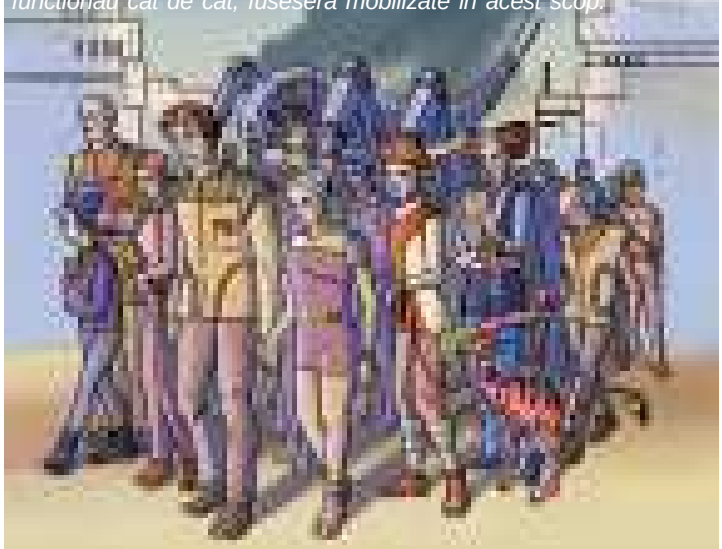
MAGAZIN FANTASTIC 3

Alexandru Ungureanu (7 ianuarie 1957, Bucuresti - 11 octombrie 2004, Bacau) a fost un prozator de science-fiction român. http://ro.wikipedia.org/wiki/Alexandru_Ungureanu_%28scriitor%29 In acest nou numar special FANTASTIC al fanzinului nostru ii aducem un omagiu prin publicarea unei benzi desenate* dupa povestirea sa "Ne vom intoarce pe Herbwue", aparuta in almanahul Anticipatia (1986). Lucrarea noastra - a mea, ca scenarist, si a desenatorului Laurentiu Butuc, un fan al lui Sandu si al lui "Herbwue" in special - este riguros exact aceasta: un omagiu. Am preferat o versiune in limba engleza pentru a face cunoscut numele lui unor generatii noi.

Marian Mirescu

Pedgre, marele soare verde, inca nu se ridicase deasupra orizontului. Toata noaptea plouase si aerul se incarcase de umezeala. Nori rosietici, rasuciti de catre turbioanele gigantice de mare altitudine, se incolaceau de la marginile cerului spre zenit... Toata lumea aceea se indrepta catre terenul de lansare, improvizat la marginea orasului... Acolo era ultimul loc de pe Herbwue unde se facau evacuari. Toate mijloacele de zbor, care functionau cat de cat, fusesera mobilizate in acest scop.



Nimeni nu mai statea sa aleaga intre graviplane si reachetele cu propilen folosite de primii colonisti sositi pe Herbwue acum trei ani.

Naizo zambi, aducandu-si aminte de o poanta, lansata de un locotenent de la dispecerat: "Daca maturile ar fi bune pentru zboruri circumherebwuene, atunci cerul s-ar umple de oameni calare."

Ne vom intoarce pe Herbwue. Ne vom ridica la cer, vom astepta. Vom cobori din cer. Ne vom intoarce pe Herbwue...

Exista probabil un sens ascuns a celor ce i se intamplau. De asemenea, libertatea lui parea sa nu fie doar o simpla intamplare. Poate ca senzatiile sale de moment nu aveau un corespondent real. Poate. Naizo recunostea ca speculatiile privind soarta, destinul si alte sinonime ale existentei legate de un fir conducator nu il pasionasera niciodata. Poate ca era prea tarziu. Poate. Prea multi de "poate". Isi scutura umerii. Mai bine s-ar fi gandit la ceva mai concret. De exemplu, dragutii de Jako isi frecau dintii de satisfactie ca vor captura un animal cu grad de sergent si cu sange cald pentru a asigura o buna clocire generatiei de maine a planetei. Chiar, in fond cum de nu erau inca in oras? Isi roti privirile, cautand...

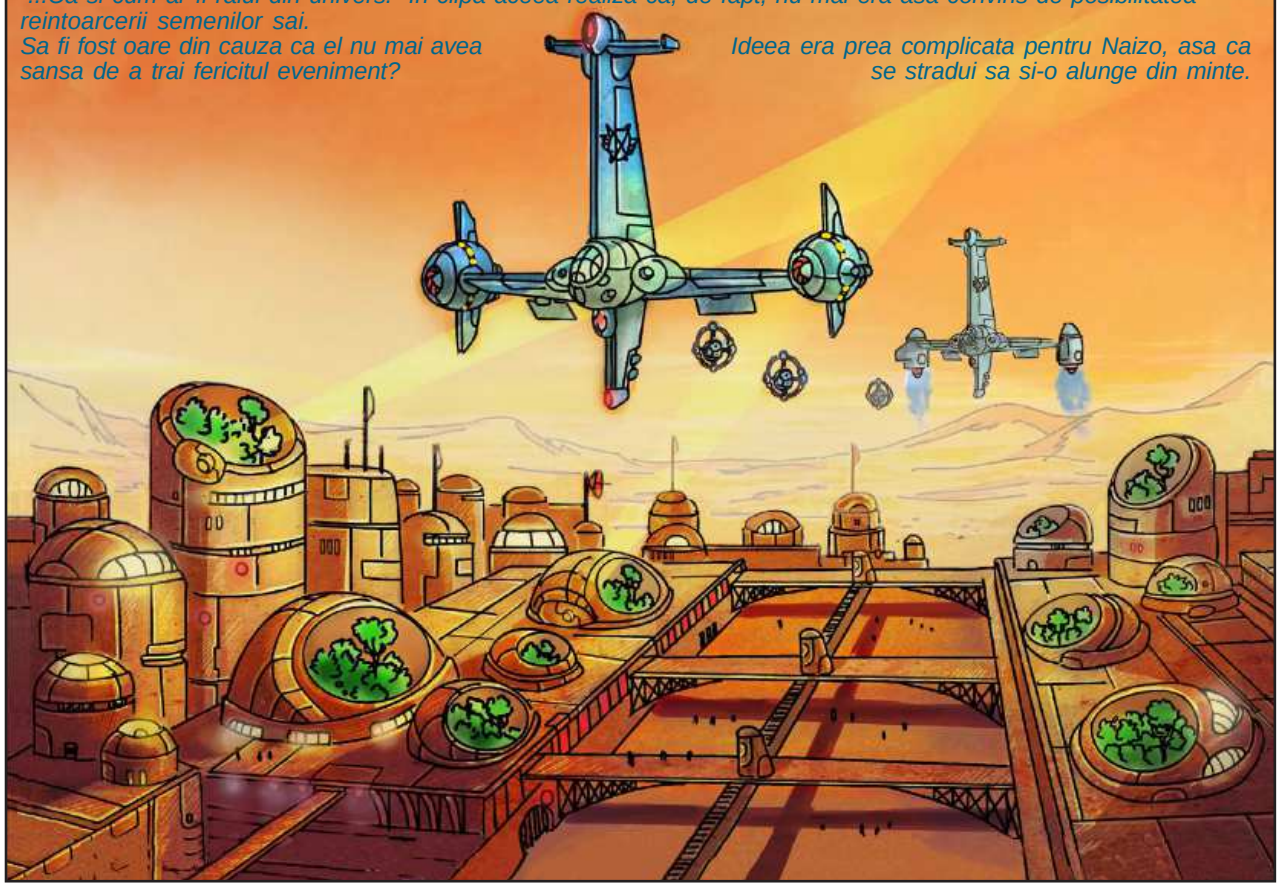
**prima banda desenata dupa Alexandru Ungureanu este "Confruntarea I", de Adrian Barbu, aparuta tot in almanahul Anticipatia (1985). dupa povestirea "Artele martiale moderne", titlu refuzat decenzura comunista pentru versiunea BD(!); partea a doua, "Confruntarea II", a aparut in foileton in Revista Teatrului din Bacau.*

Herbwuenii, apelati Joko dupa numele initiatorului insurectiei locale, erau ovipari, un soi de reptile reci si inteligente, care obisnuiau sa captureze animale cu sange cald si sa le paralizeze in vederea clocitului.

Ne vom intoarce pe Herbwue! Iubita mea cu parul verde, ne vom intoarce pe Herbwue. Vom cobori din cer in privirea ta lina, langa ferma noastra draga. Ne vom intoarce pe Herbwue.

"...Ca si cum ar fi raiul din univers." In clipa aceea realiza ca, de fapt, nu mai era asa convins de posibilitatea reintoarcerii semenilor sai.
Sa fi fost oare din cauza ca el nu mai avea sansa de a trai fericitul eveniment?

Ideea era prea complicata pentru Naizo, asa ca se stradui sa si-o alunge din minte.



O patrula de graviplane, trecand pe deasupra... Distrat, Naizo le urmari cu privirea inaltandu-se spre marginea marii, pentru a disparea in spatele unui deal.

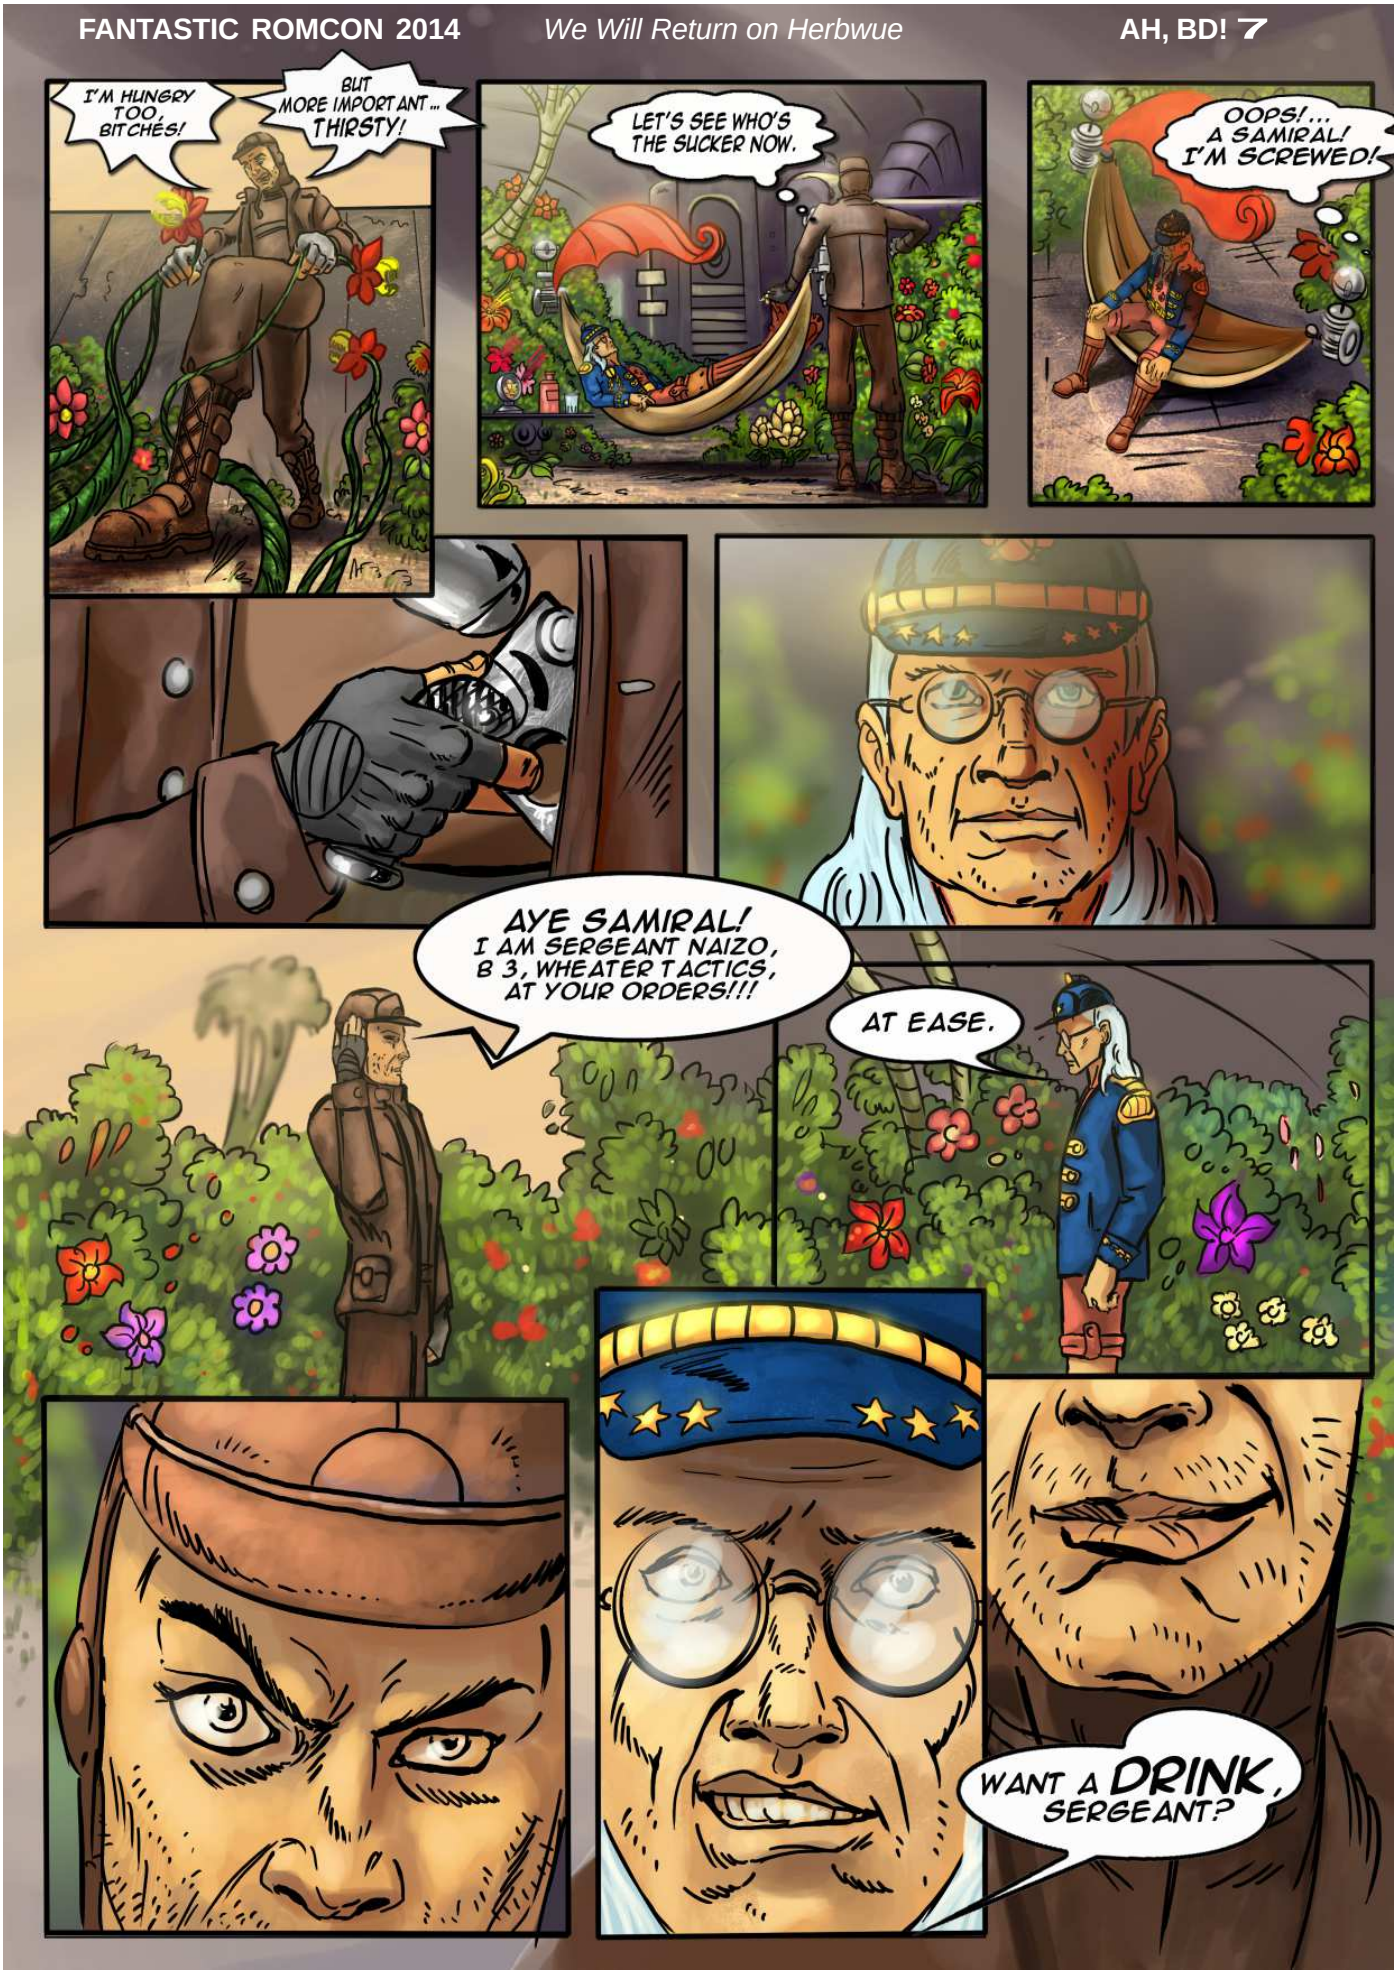
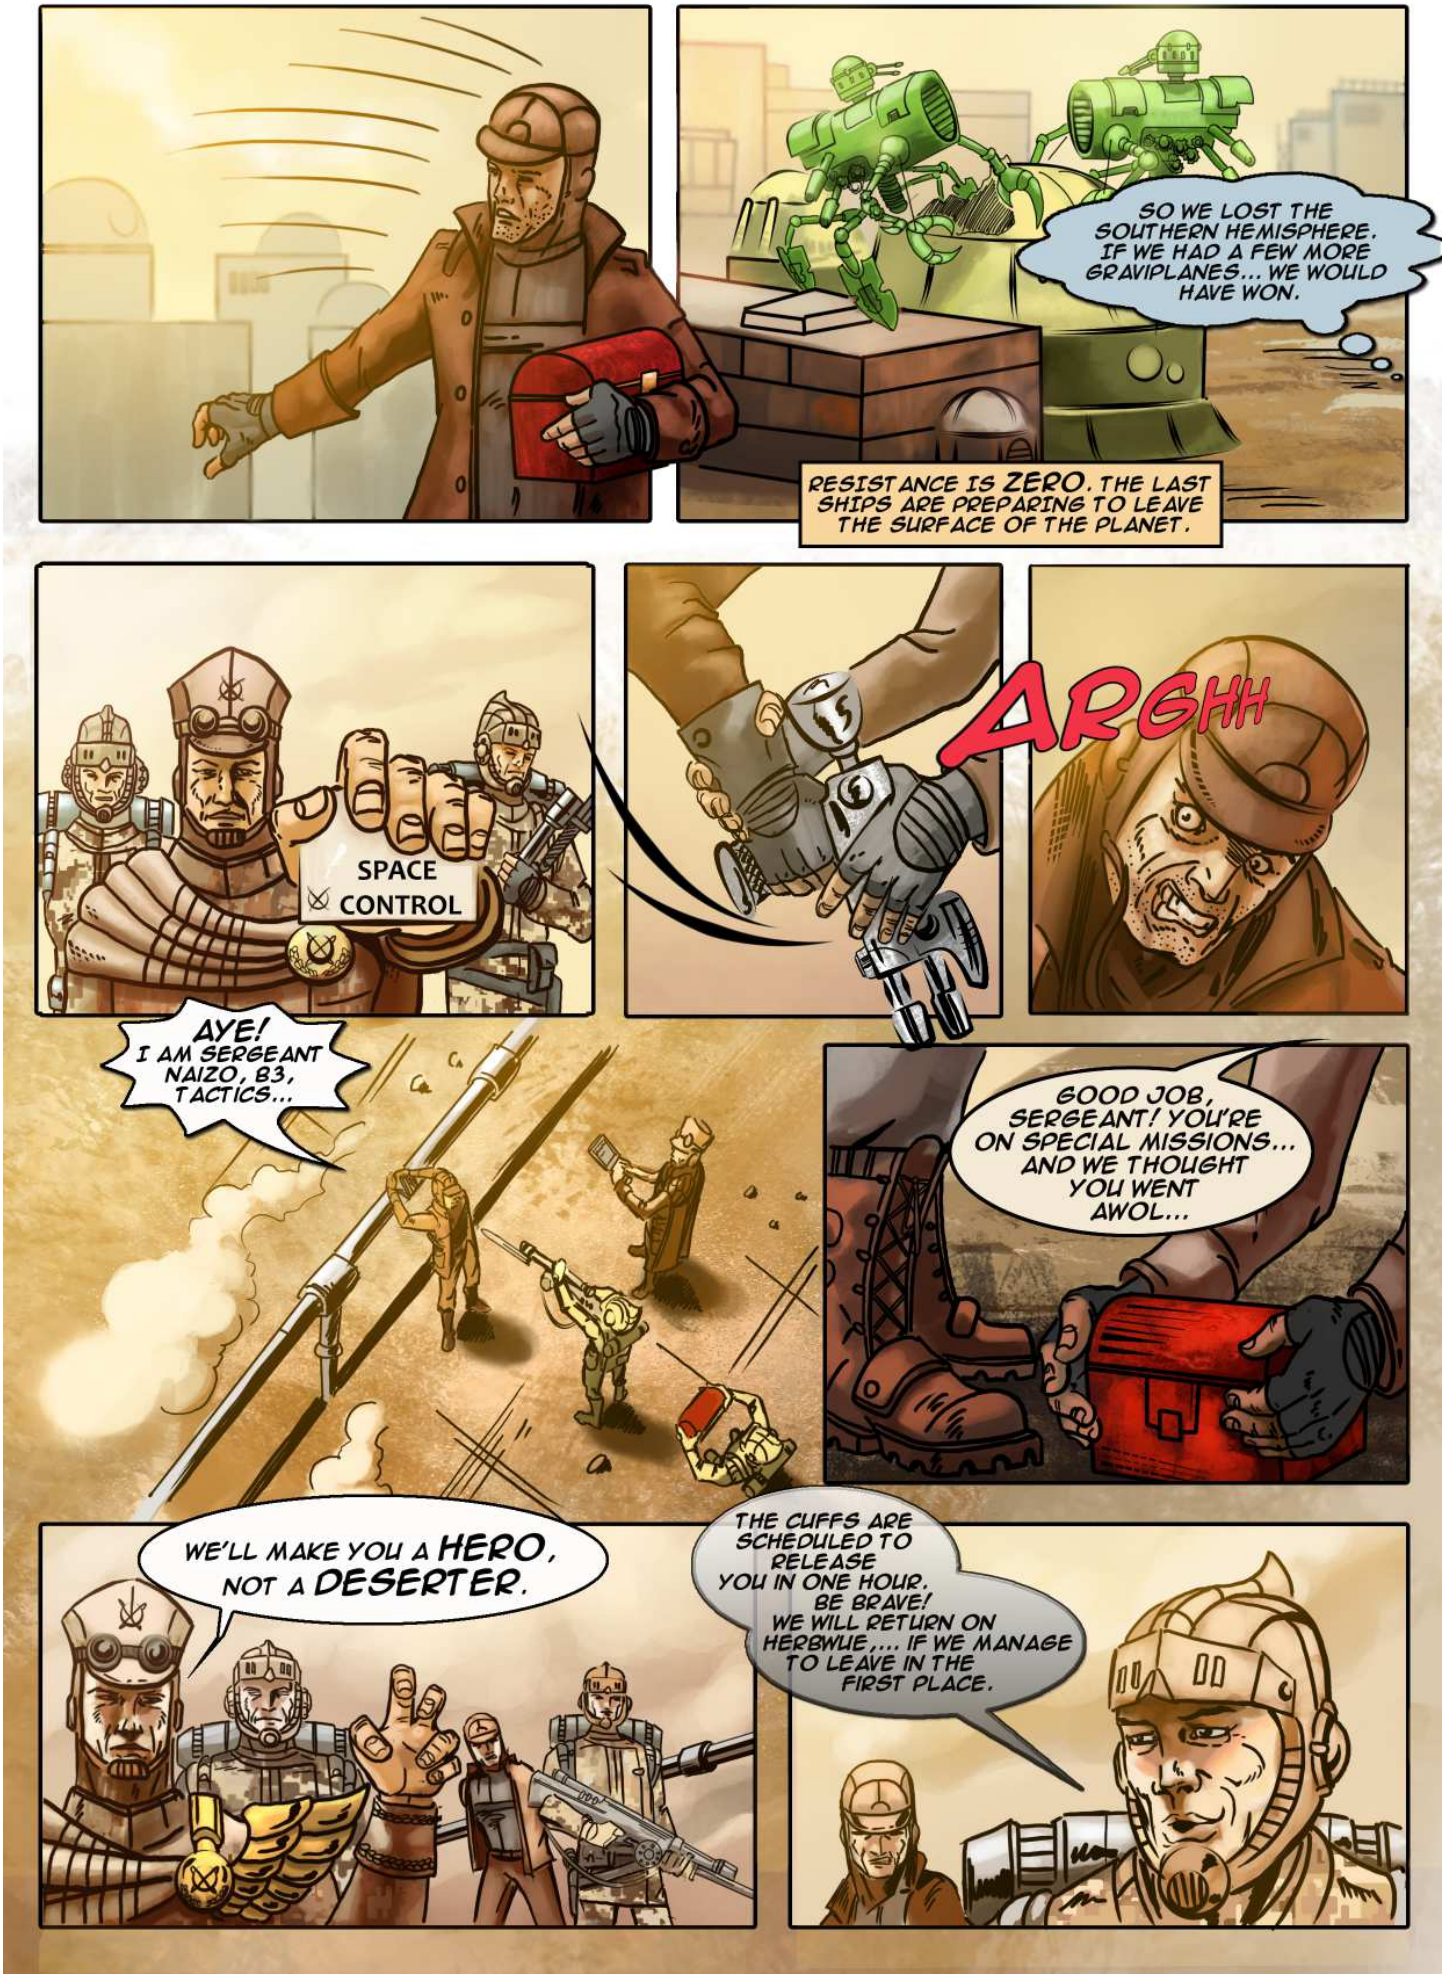
STINKING GUN SLINGER!
HEY, SERGEANT, WHERE ARE YOU RUNNING ?
LAST EVACUATION SITE ON HERBWUE WILL BE OVERWORKED. GRAVIPLANES OR PROPIPLANES, ANY FLYING MACHINE IS GOOD FOR REFUGEES.
NAIZO, SERGEANT, 3RD BATTALION WHEATER TACTICS, TEMPORARY TRANSTATUS INACCURATE, IRREGULAR TEMPORARY LOCATION.
YOU'RE SCARED JOKO MIGHT PUT YOU TO HATCH SOME EGGS?
FULL RETREAT, EH, SERGEANT?
I SHOULD'VE BEEN DRESSED AS A CIVILIAN.
PROTECTION AND EVACUATION OF THE CIVILIANS WAS ENDANGERED BY HERBWUENS ATACKS WHICH TAKE OVER THE AIR SPACE, IMPUGNABLE UNTIL THEN.
BHOO
THE POPULAR TUNE GIVES HOPE TO THE COLONY IN THE UNFAVORABLE CIRCUMSTANCES OF DEFEAT.
ANOTHER MISSILE HIT BY GRAMATRACER GUNS ! POOR BASTARDS, THEY'RE DIEING LIKE RATS!
WE'LL RISE TO HEAVEN... WE'LL DESCENT FROM THE SKIES...
...WE'LL RETURN TO HERBWUE!
SHIT! THOSE CIVILIAN SCUMS CAN'T PROTECT ME FROM SPACE CONTROL PATROLS AND THEIR PHYSIOGNOMY READER DEVICES.
WE'LL RETURN TO HERBWUE!



I'M HUNGRY TOO, BITCHES!
BUT MORE IMPORTANT... THIRSTY!
LET'S SEE WHO'S THE SUCKER NOW.
OOPS!... A SAMIRAL! I'M SCREWED!
AYE SAMIRAL! I AM SERGEANT NAIZO, B 3, WHEATER TACTICS, AT YOUR ORDERS!!!
AT EASE.
WANT A DRINK, SERGEANT?

ZIIIIIIIIIM
CLICK!
IT'S CONDITIONED. GOOD REFLEXES, SERGE.
WHAT'S YOUR MISSION, SERGEANT?
KRAAA
WELL, YOUR SAMIRALITY,... YOU KNOW, THE RETREAT... EVERYBODY IS LEAVING AND...
NO WAY, SIR. I CAME TO HELP YOU PACK. THREE KILOS OF SPECIAL VALUES.
SERGEANT, AS I REPORTED BEFORE: I AM NOT LEAVING. I AM NOT AFRAID. YOU HAVE ORDERS TO USE FORCE NOW?
SOME JEWELS, THAT CAN'T FALL INTO THE HANDS OF SOME LOUSY JOKO.
YOU IDEALIZE THEM. THEY'RE CRUEL.
THAT'S THE WAR. AS WINNERS THEY WILL BE GENEROUS.
NOT EVERYONE HAS THE SAME RETARDANTS LIKE THIS SLAVE!
FUCK OFF!
THE AIR SPACE IS DESERTED. A SERENE NECROPOLIS HANGS OVER THE SAMIRAL OASIS. THE SKY, WHICH UNTIL NOW WAS FULL OF SHIPS, IS EMPTY.

MY OLD BODY BURNS HARDER. WITH ME WILL BE DIFFERENT. I'LL STAY HERE AND WAIT IN THIS GARDEN QUIETLY, FOR YOUR RETURN.
IN LESS THAN ONE YEAR THE UNITED FORCES OF THE FEDERATION WILL FILL THE HERBWUE'S SKY. THIS WORLD WILL BE OURS.
YOUR SAMIRALITY, NOTHING CAN GUARANTEE THE SAFETY OF THE SPECIAL VALUES WHICH MAY BE USED TO...
...FINANCE THE STRATEGIC EFFORT.
TO SOME CRAP!
WOW... THAT SOUNDS PRETTY GOOD!
WILL BE DELIVERED TO,... YOU KNOW. THEY'LL BE COMPLETELY SAFE. UNLESS OF COURSE IF YOU REALLY WANT TO ACCOMPANY THEM.
I AM CONFIDENT THAT WILL BE DELIVERED IN GOOD HANDS.
ZIIIIIM!
DON'T WORRY.
WE WILL RETURN, WE'LL RETURN ON HERBWUE.
AND NOW, YOUR SAMIRALITY, I GIVE YOU...
...THE OPPORTUNITY ...
...TO MEET JOKO!
ZHAMM
AARGH!



SO WE LOST THE SOUTHERN HEMISPHERE. IF WE HAD A FEW MORE GRAVIPLANES... WE WOULD HAVE WON.
RESISTANCE IS ZERO. THE LAST SHIPS ARE PREPARING TO LEAVE THE SURFACE OF THE PLANET.
SPACE CONTROL
ARGHH
AYE! I AM SERGEANT NAIZO, B3, TACTICS...
GOOD JOB, SERGEANT! YOU'RE ON SPECIAL MISSIONS... AND WE THOUGHT YOU WENT AWOL...
WE'LL MAKE YOU A HERO, NOT A DESERTER.
THE CUFFS ARE SCHEDULED TO RELEASE YOU IN ONE HOUR. BE BRAVE! WE WILL RETURN ON HERBWUE,... IF WE MANAGE TO LEAVE IN THE FIRST PLACE.

SHIT, THEY'RE NOT EVEN ABLE TO DETECT ME!
THEY FORGOT ABOUT ME... LIKE I WAS SOME BROKEN SCREW FROM AN OLD STATIC MAPS GENERATOR!
MASER AMPLIFIER. GOOD. IF I MUST DIE, I'LL TAKE A LOT OF JOKO WITH ME!

KNOW YOUR ENEMY

TO EXTERMINATE ON SIGHT
THE BLOODY LIZARD JOKO INFESTING THE PLANET OF YOUR KIN
THE BRAVE COLONISTS OF HERBWUE

TO EMBETTER THE WOLRD

KNOW ITS STRENGTH TO WEAKEN IT
KNOW YOUR WEAKNESS TO CONCEAL IT
KNOW THEIR BIOLOGY TO END IT
KNOW YOURS TO ENHANCE IT: ARM IT!

...BECOME THE WEAPON

KNOW YOUR ENEMY

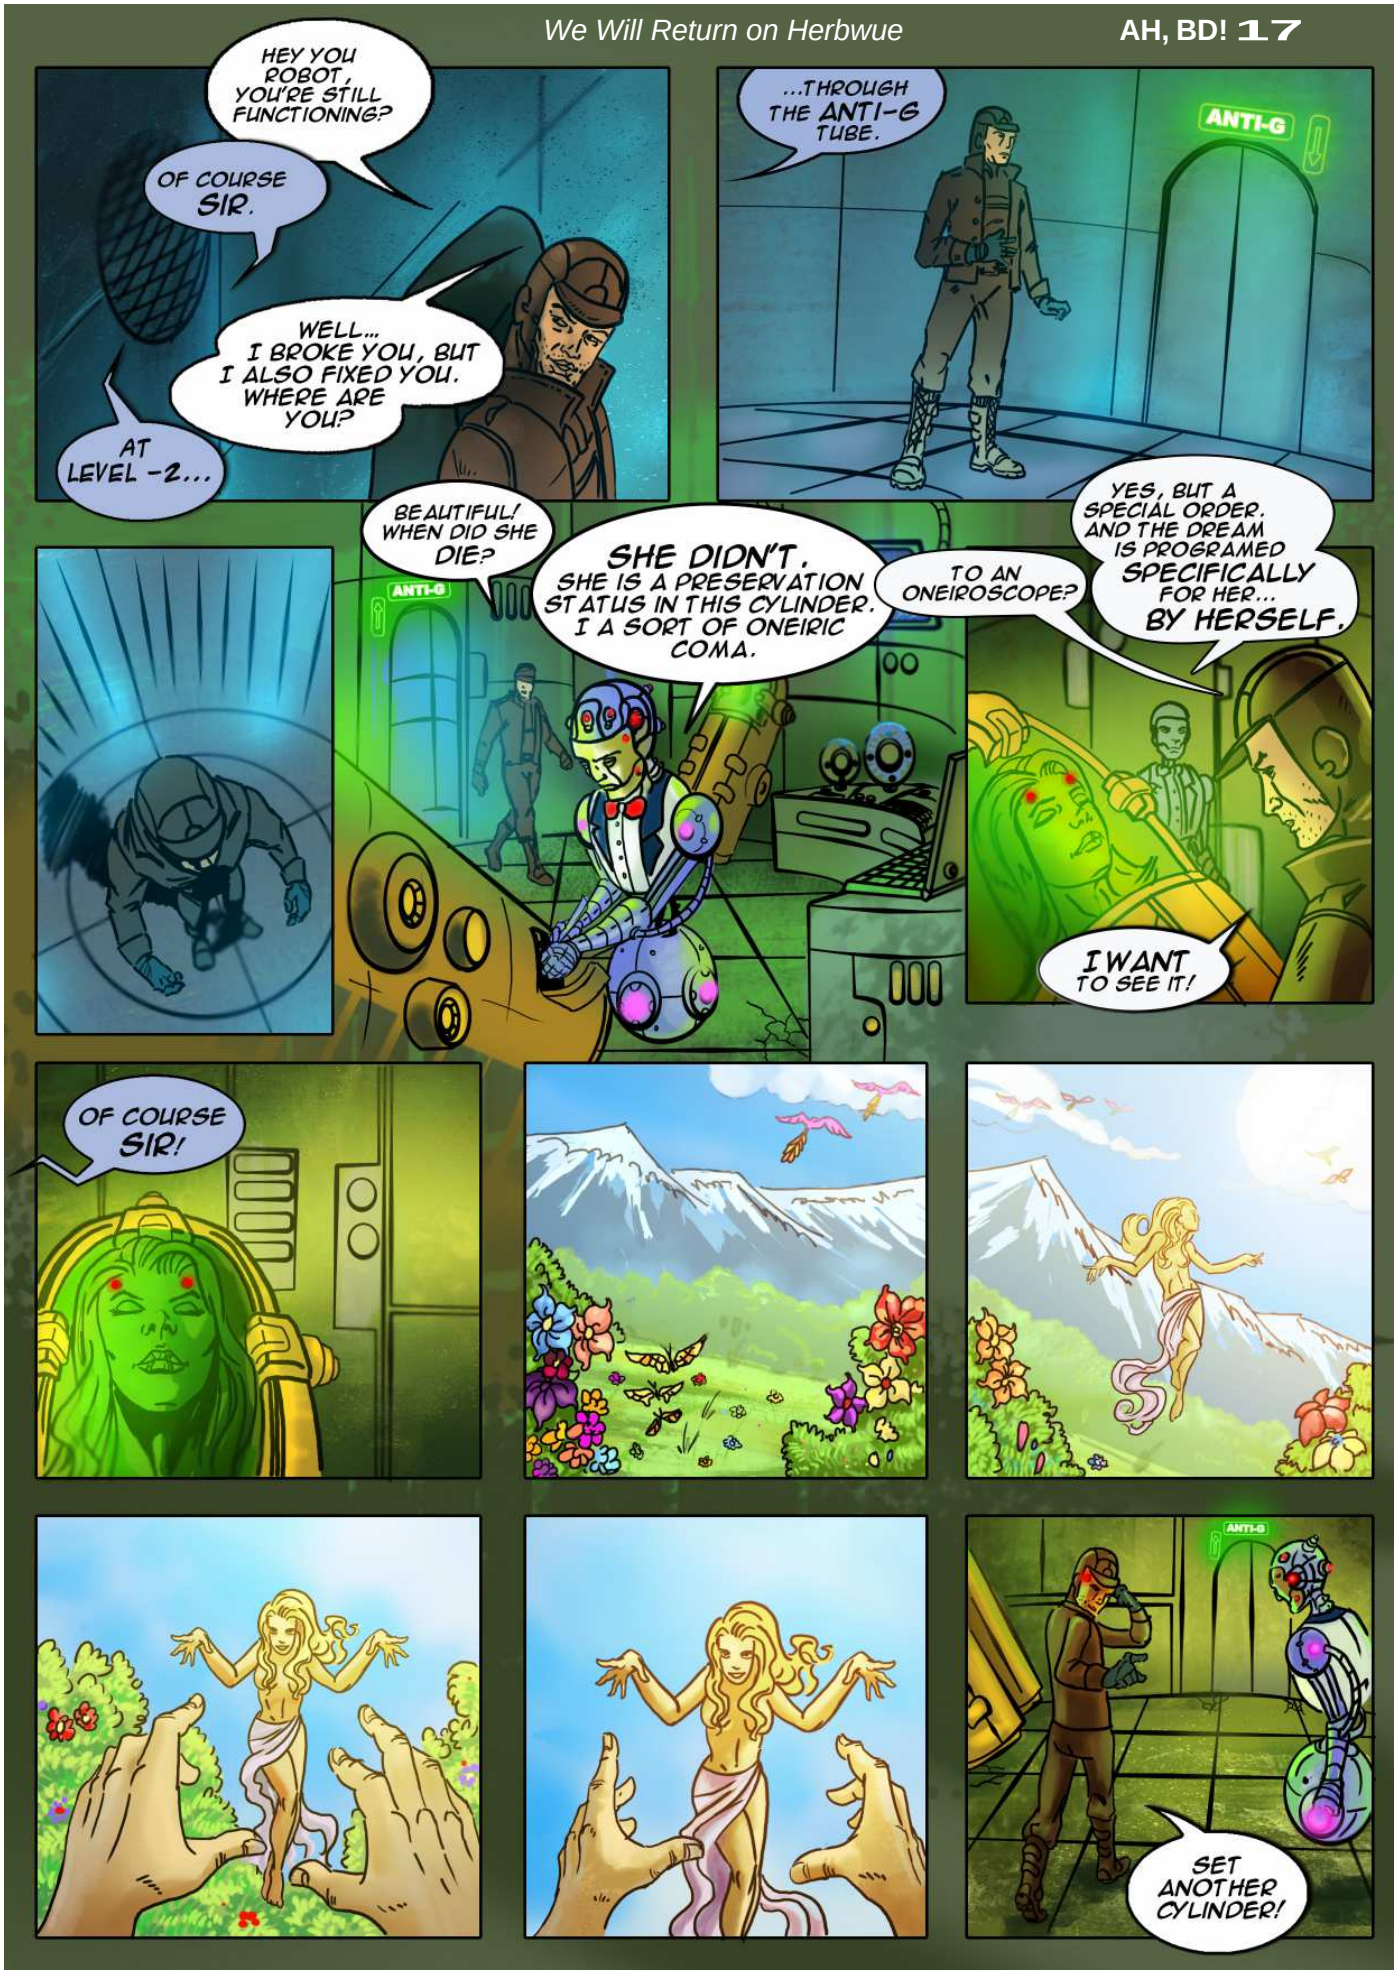
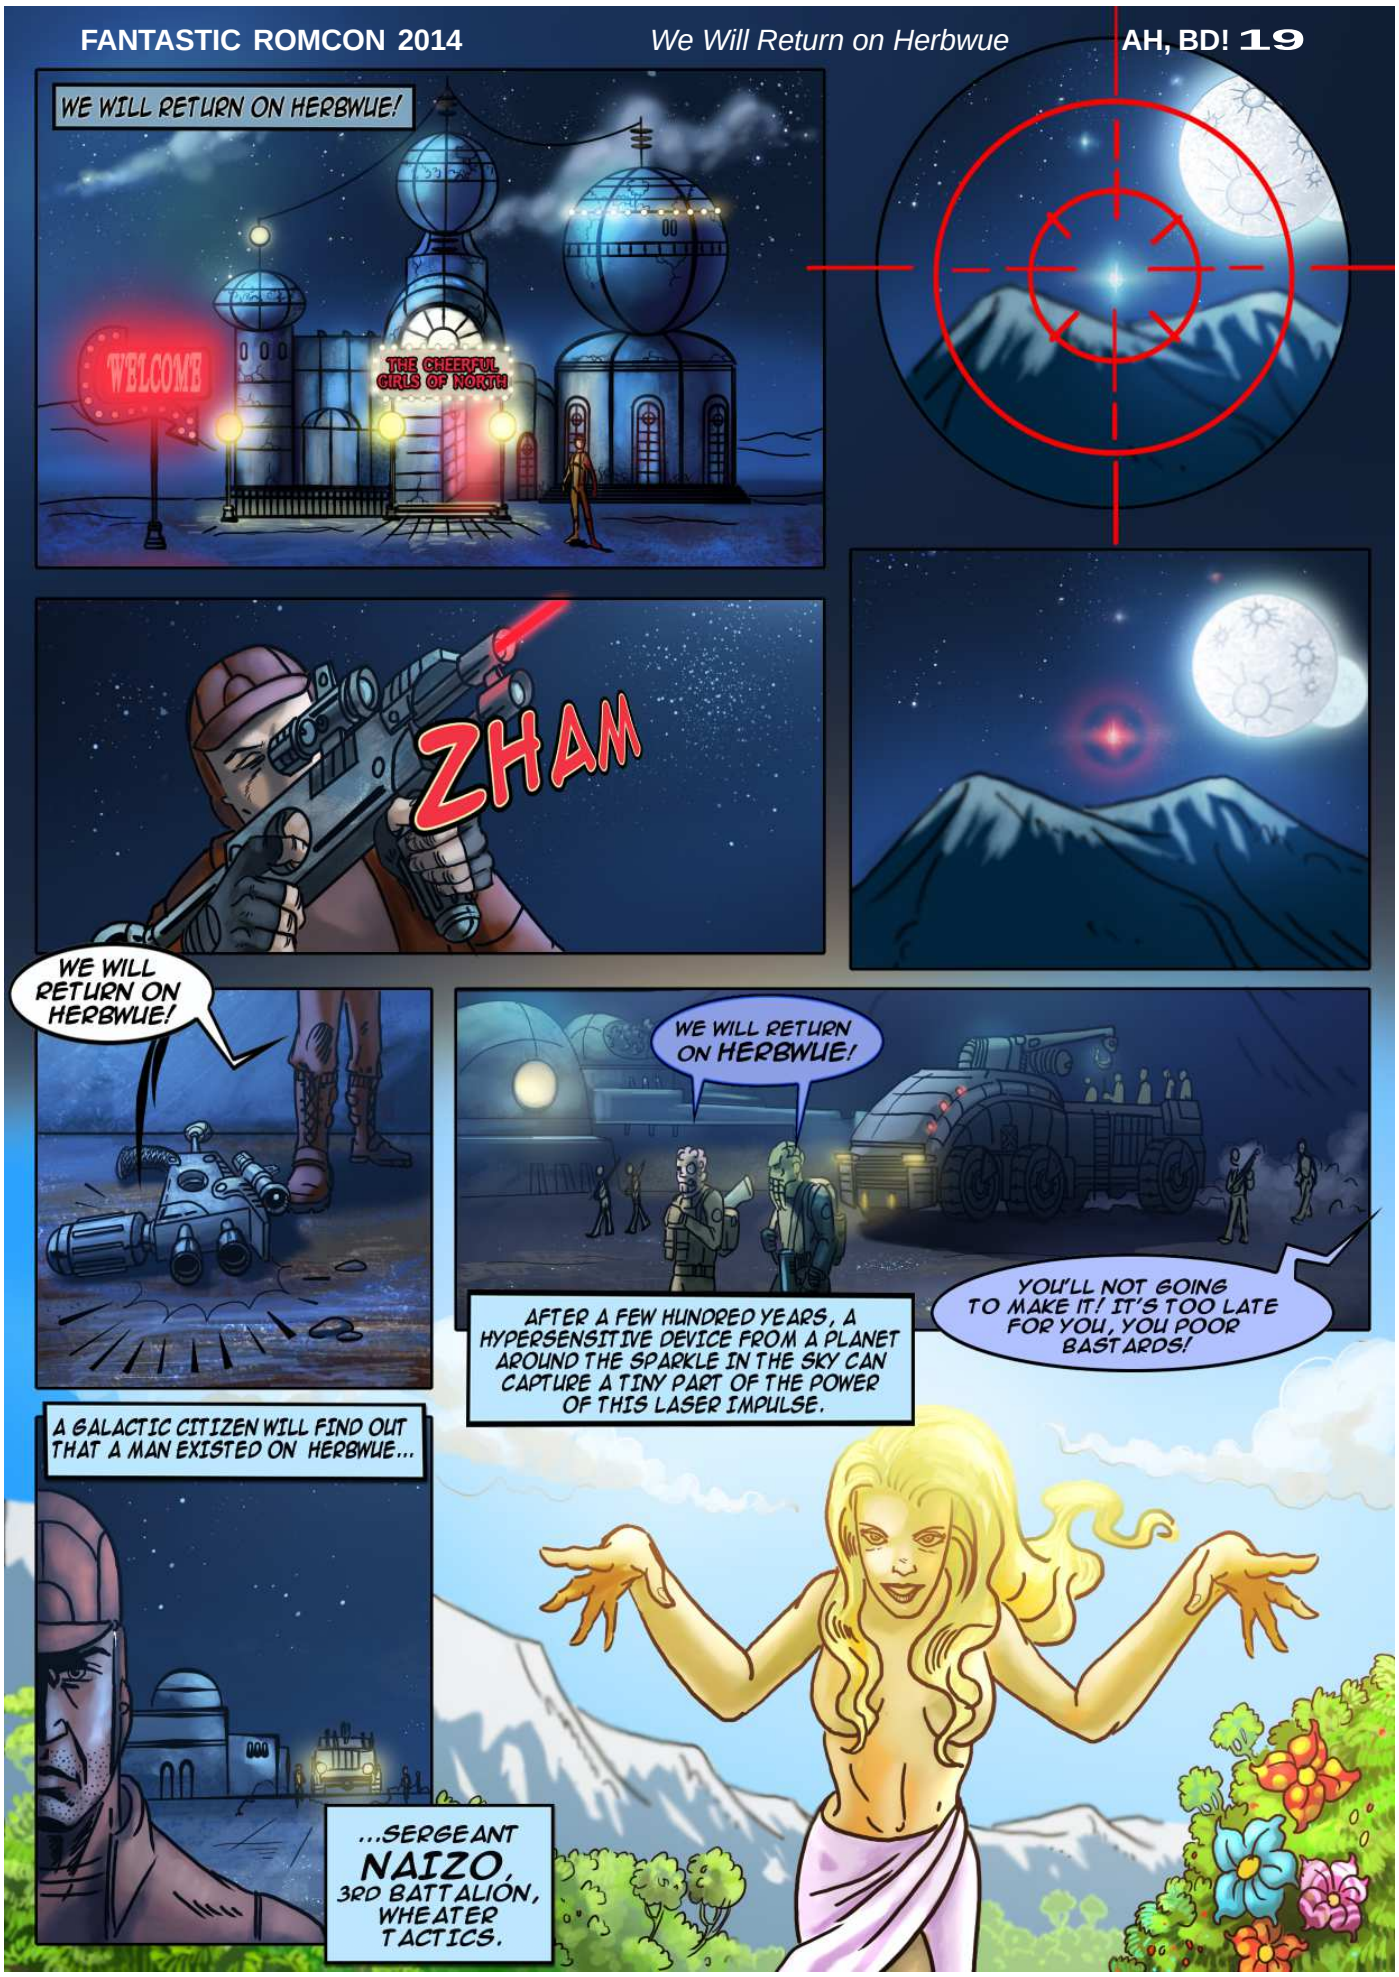
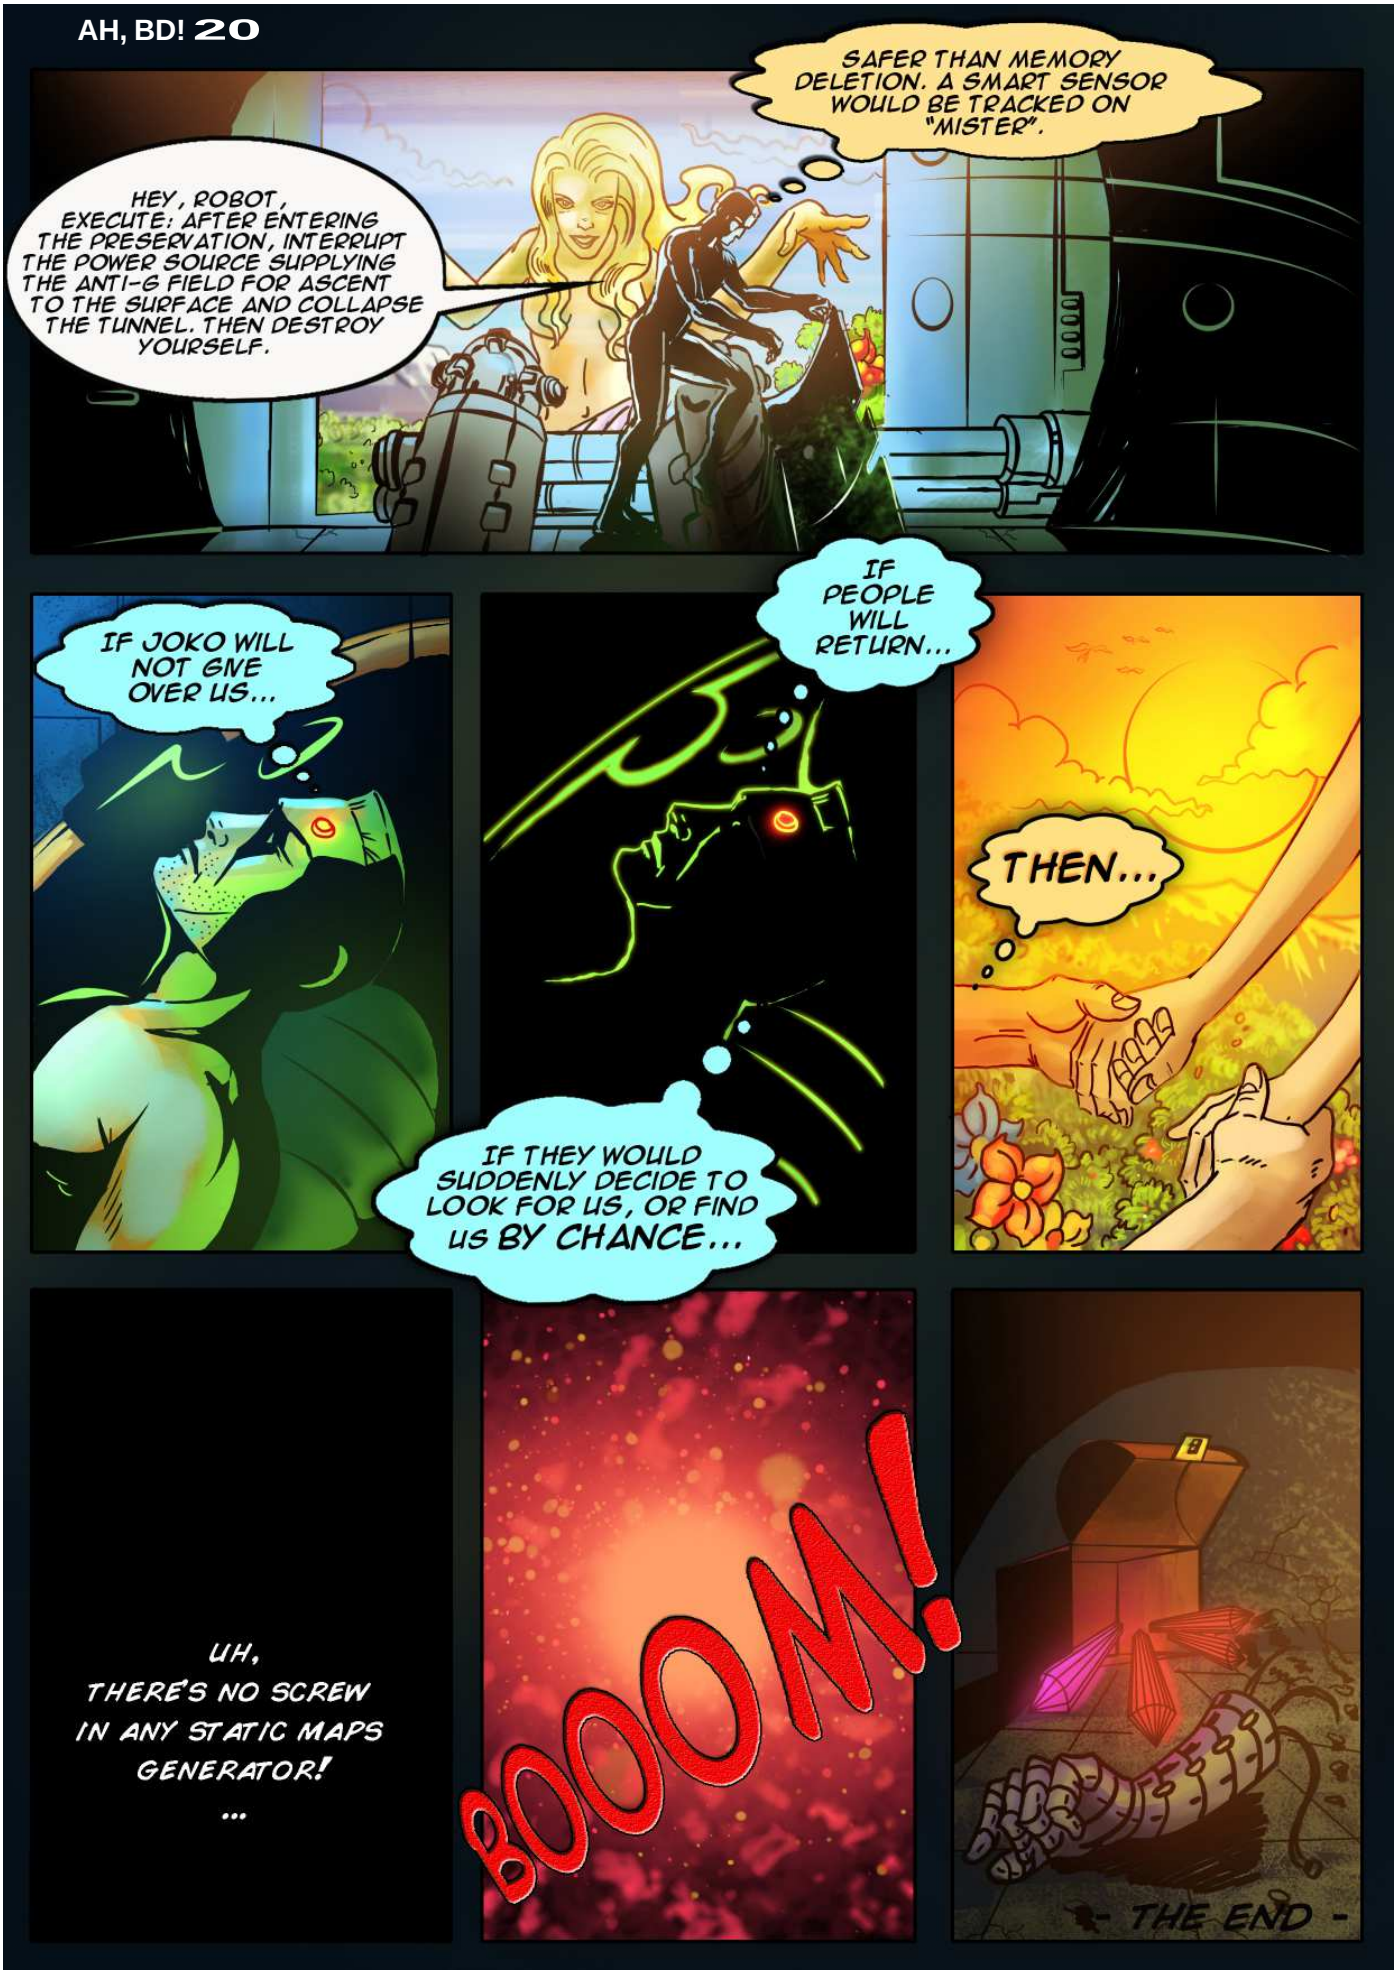
IMPORTANT MESSAGE FOR THOSE REMAINING:
WE WILL RETURN ON HERBWUE!
THE CHEERFUL GIRLS OF NORTH
WHO KNOWS TO WHICH CARDINAL DIRECTION THEY WENT?
AND THE REST IS MINE, IS ALL MINE... HAHAHA!
BZZZLLLL
ZKAMM
WHY DID YOU MOVE?
SORRY. HOUSE IS CLOSED. MY MISTRESS TOLD ME TO TAKE CARE OF EVERYTHING UNTIL...
YEAH, UNTIL SHE RETURN ON HERBWUE. IT'S NOT THAT BAD. I'LL FIX YOU IN NO TIME.
WE WILL RETURN ON HERBWUE!
GO... AND DO...WHAT YOU WERE DOING.
GLADLY.
IN ORDER TO RETURN ON HERBWUE, THIS PLANET WITH STRATEGIC IMPORTANCE...
...A PROPAGANDA CAMPAIGN IS ESSENTIAL.
THE FIRST LANDINGS ON HERBWUE WILL BE GUIDED ACCORDING TO... ...WITH UNITS OF TYPE...
MINERAL RESOURCES... MILD CLIMATE...
CONDITIONED INHABITANS... ...CONTROL OF THE CIRCUMHERBWUEAN SPACE MUST BE KEPT...
...GAINED EXPERIENCE, EVEN IF PAINFULLY...
UNTIL THE BEGINNING OF THE RECOVERY CAMPAIGN...
PEOPLE, DON'T GIVE UP TO HERBWUEAN PARADISE!



HEY YOU ROBOT, YOU'RE STILL FUNCTIONING?
OF COURSE SIR.
WELL... I BROKE YOU, BUT I ALSO FIXED YOU. WHERE ARE YOU?
AT LEVEL -2...
...THROUGH THE ANTI-G TUBE.
ANTI-G
BEAUTIFUL! WHEN DID SHE DIE?
SHE DIDN'T. SHE IS A PRESERVATION STATUS IN THIS CYLINDER. I A SORT OF ONEIRIC COMA.
TO AN ONEIROSCOPE?
YES, BUT A SPECIAL ORDER. AND THE DREAM IS PROGRAMED SPECIFICALLY FOR HER... BY HERSELF.
I WANT TO SEE IT!
OF COURSE SIR!
SET ANOTHER CYLINDER!



WE WILL RETURN ON HERBWUE!
WELCOME
THE CHEERFUL GIRLS OF NORTH
ZHAM
WE WILL RETURN ON HERBWUE!
WE WILL RETURN ON HERBWUE!
AFTER A FEW HUNDRED YEARS, A HYPERSENSITIVE DEVICE FROM A PLANET AROUND THE SPARKLE IN THE SKY CAN CAPTURE A TINY PART OF THE POWER OF THIS LASER IMPULSE.
YOU'LL NOT GOING TO MAKE IT! IT'S TOO LATE FOR YOU, YOU POOR BASTARDS!
A GALACTIC CITIZEN WILL FIND OUT THAT A MAN EXISTED ON HERBWUE...
...SERGEANT NAIZO, 3RD BATTALION, WHEATER TACTICS.



HEY, ROBOT, EXECUTE: AFTER ENTERING THE PRESERVATION, INTERRUPT THE POWER SOURCE SUPPLYING THE ANTI-G FIELD FOR ASCENT TO THE SURFACE AND COLLAPSE THE TUNNEL. THEN DESTROY YOURSELF.
SAFER THAN MEMORY DELETION. A SMART SENSOR WOULD BE TRACKED ON "MISTER".
IF JOKO WILL NOT GIVE OVER US...
IF PEOPLE WILL RETURN...
IF THEY WOULD SUDDENLY DECIDE TO LOOK FOR US, OR FIND US BY CHANCE...
THEN...
UH, THERE'S NO SCREW IN ANY STATIC MAPS GENERATOR!
...
BOOM!
